- medication and pain management
- continence services
- stoma care
- diabetic management
- continuing nursing care in the home - available upon detailed discussion and subject to resource availability

Fees and Charges

- Clinic appointments will incur a minimum charge of £20 per appointment. Additional appointment time in excess of 30 minutes will be charged @ £10 per 15 minute unit.
- Home visits will be charged a minimum charge of £45 per visit. Additional time in excess of 1 hour will be charged @ £10 per 15 minute unit.
- Time will also be charged for non face-to-face contact e.g. liaising with GP and other medical professionals.
- Clients need to supply their own dressings and specialist equipment and will be invoiced for routine consumables.
- The cost of any equipment required to aid care will also be the responsibility of the client.

Charges will be made for missed appointments at the appropriate minimum charge for home visits / clinic

- visits unless at least 24 hours notice is given. These charges may be waived in exceptional circumstances at our discretion.

Please note that we do not correspond / send fee invoices to medical insurers on the client's behalf. Fees are

- billed to the client and should be settled by the client and claimed back (if applicable) from your health insurer.

Invoices are due and payable on receipt. Failure to pay will result in the issuance of debt proceedings. In

- certain circumstances a deposit, or full payment in advance, may be required in advance of undertaking any care.
