2020 Club Application Form

How does the 2020 club work?

Up to 2020 people buy tickets for the Club and each ticket has a unique draw number. You can buy more than one ticket but only a maximum of 2020 will be sold. Each year we increase the number of tickets available by one.

Each ticket costs £30 for the calendar year.

Each ticket has a unique draw number from 1 to 2020. Once you have been allocated your draw number, that number will belong to you for as long as you are a paid up member of the Club.

12 Monthly Prizes

1st prize £1000

2nd prize £500

3rd prize £250

4th - 12th prize £30

The draw takes place on the last Friday of each month at La Bas Centre at 11am. The first draw of 2020 will be on Friday 31st of January. All allocated draw numbers are entered into each monthly draw. Even if you have won in a previous draw, your draw number will automatically be entered into all subsequent draws. Each month, 12 numbers are drawn at random starting with the 1st prize and ending with the 12th prize, which is drawn last. When the Friday is a Bank Holiday the draw will take place on the previous working day.

Winners are notified directly and the results are also published on our website and our facebook page.
